## Club Rec Summer Camp

### How it began

Club Rec started in 1996 as a way to expand recreational activities to youth in the summer months. The program now has over 1500 children that are served annually at recreation centers and select public school sites. Club Rec is a partnership with Community Development and the Community Development Block Grant funding program.

Club Rec has grown each year. Field trips are featured each week to places such as the city parks, zoo, bowling, and swimming. At the end of the program a city wide talent show with all of the participants is hosted at a recreation center to showcase the many skills of the youngsters of the program.

The City of El Paso Parks and Recreation Department has a committed and highly trained professional staff that is prepared each year for the Club Rec program.

For questions regarding the Club Rec program, please contact the Recreation Services administrative offices at (915) 544-0753, located within the Marcos B. Armijo Recreation Center, 911 S. Ochoa.

Join us for a fun-filled, active, healthy summer!
